

## **IMPORTANT INSTRUCTIONS FOR PARENTS**

Dear Parents

1. Please make arrangement for your ward to experience the online classes in a quiet, noise-free area of the house. Other siblings/relatives/household help should not be allowed in that space.
2. Instruct your ward **NOT TO UNMUTE** himself/herself and concentrate on what the teacher is delivering. Please explain to him/her that decorum must be maintained and every student is responsible for ensuring that the teaching-learning experience is successful and enriching for all students involved.
3. To reinforce concepts, worksheets related to the online classes conducted in a day will be uploaded on the school website. Kindly access the same, using the login ID and the password given by the school to your ward, download them and make your child do those after the class.

The school is continuously trying to enhance the quality of sessions. We request your cooperation in these initial days of trying out a new medium of instruction.

Thanking you
