## NURSERY APRIL MONTHLY PLANNER 2022

Dear Parent,

Greetings!!

Welcome to the formative years of your child's learning. Preschool is an important time in a child's life as it provides a platform to strengthen social-emotional skills, language development and learning through fun and play. It will be our constant endeavour to give each child a great learning experience, lay a strong foundation and provide a loving, happy and safe environment, thus making the journey upwards smooth and easy. We recognise that in order to be successful in school, children need support from both home and school. A strong partnership with you will make a great difference in the lives of our young students as they grow and develop their love for learning in a school that cherishes every child as a unique individual.

Looking forward to a very successful year 2022- 2023.
