ह	हि	हिमालय	

## English

### **Work Proposed-**

Lesson 2- At the Farm

Reading and Comprehension of the lesson will be done in class. Difficult words will be explained. Dictation of new words will be taken. Exercises related to the lesson will be done.

Grammar

- Use of Capital letters, Full Stop, Question Mark
- Sentence building
- /ss/ sound words

### **Homework 1**

Grip on Grammar- Do Exercise 3 on page 9.

### **Homework 2**

Heading- Punctuations

The English Channel- Exercise C on page 13. To be done in the English notebook.

### **Homework 3**

Grip on Grammar- Do Exercise 2 on page 57

## EVS

### **Work Proposed** - Chapter-12- Plants and Animals Around Us

Reading and comprehension of the chapter will be done. Exercises related to the chapter will be completed.

### **Homework 1**

My Green World: Do Exercise 4 on page 98 in the book itself.

### **Homework-2**

Heading- Plants (To be done in the EVS notebook)

**A .** Fill in the blanks using the words given in the box:

food	support	sizes	sunlight
------	---------	-------	----------

- a) Stem helps to \_\_\_\_\_ the plant and keep it upright.
- b) Leaves are very important as they make \_\_\_\_\_ for the plant.
- c) Plants need \_\_\_\_\_ to make food.
- d) Leaves come in all shapes and \_\_\_\_\_.

**B.** Draw/ stick and label pictures of any five things that you get from plants.

### Homework-3

Heading- Animals Around Us (To be done in the EVS notebook)

**A** Draw/stick pictures and label. Give two examples for each of the following.

- a) Wild animals
- b) Domestic animals
- c) Pet animals
- d) Water animals
- e) Birds
- f) Amphibians

**B** Match the animals with their young ones.

Eg: peacock-peachick

hen	calf
cow	chick
sheep	kitten
cat	duckling
duck	lamb

### Festivals

Independence Day

Raksha Bandhan

### General Awareness

#### Work Proposed-

**Topic-** Germination

The process of germination allows children to get a close look at how a seed grows.

Things required - Fistful of rajma seeds, cotton, a container.

Steps -

1. Take a container.
2. Layer it with moist cotton.
3. Place the rajma seeds in it.
4. Keep it moist by sprinkling water as required, do not flood it.
5. Place it in an area where there is enough light and air.
6. Watch the seeds grow.

## Homework

Record your observations with the help of illustrations from step 1 to step 6, in your EVS notebook.

### Fun Facts- Animals

Animals are amazing . Let's discover a few unusual fun facts about them.

- The biggest animal in the world is the blue whale.
- The smallest bird in the world is the bee hummingbird.
- The oldest living animal in the world is a giant tortoise- Jonathan (189 years old!)
- Squirrels are responsible for planting thousands of trees worldwide, by simply forgetting where they have hidden their nuts.
- Rats laugh when tickled, especially on their back and bellies.
- An octopus has three hearts, nine brains (each arm has a mini-brain) and blue blood.

### Life skills- Taking care of animals

- Feed a stray animal.
- Avoid products that hurt animals.
- Put a bowl of water and seeds for birds outdoors.
- Never tease or throw stones at them.

## Mathematics

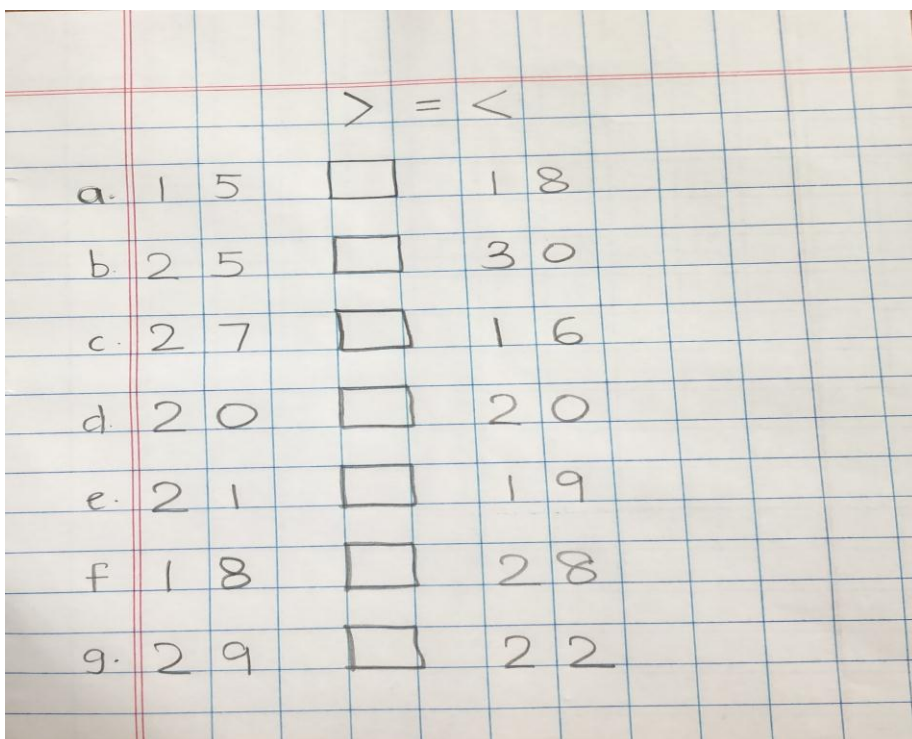

### Work Proposed-

1. Recognition and writing of numbers up to 40 (under Tens and Ones)
2. Greater than, Lesser than and Equal to (numbers up to 40)
3. Positions-Before, Between and After (numbers up to 40)
4. Order of Numbers (Increasing Order and Decreasing Order)
5. Backward counting 10-0
6. Concept of Place Value of Tens and Ones

Relevant pages from the Mathematics textbook will be done.

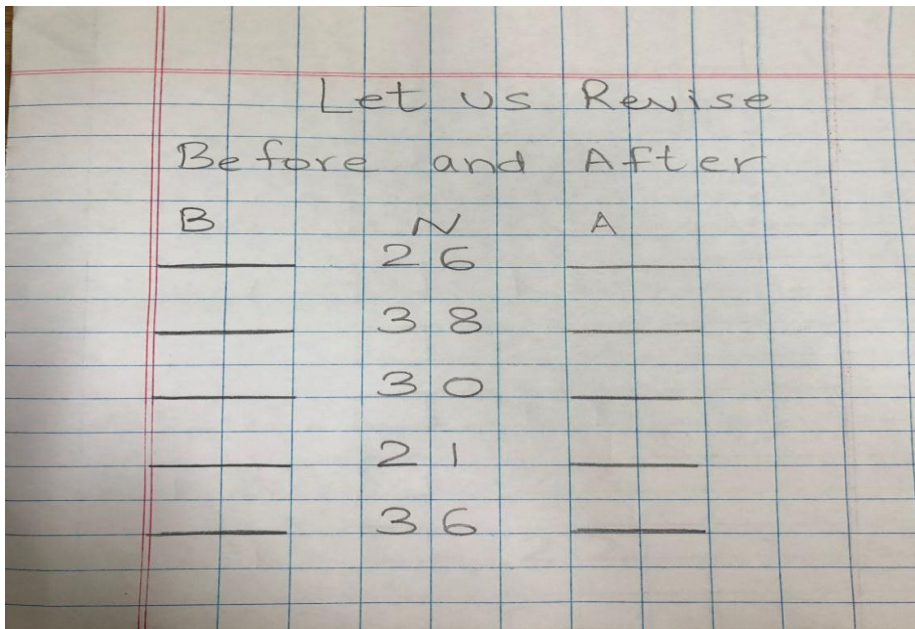

### Homework 1

To be done in the Mathematics notebook.

## Homework 2

To be done in the Mathematics notebook.

## Homework 3

Heading- Backward Counting (10-1)

Write backward counting 10 - 1 in the Mathematics notebook.

## Computer

### Work Proposed-

Ch-3 Uses of a computer

Practical: Introduction to Wordpad

## PHYSICAL EDUCATION

Physical Education is a vital part of a balanced school curriculum. Regular exercise improves both physical and mental health and there is growing evidence that it improves academic performance too. Establishing good pattern of exercise in primary schools also provide learners with the foundation of an active and healthy lifestyle for life.

The curriculum at RSJMS is designed to ensure that all students :-

- Develop competence to excel in a broad range of activities.
- Are physically active for sustained period of time.
- Engage in competitive sports and activities.
- Understand the importance of leadership, collaboration and fair play.

The assignment every month will outline the sports activities.

### Work Proposed-

General- Warm up exercises

Specific- Balancing and running exercises

Activities related to both will be conducted during the sports periods this month

**Chess :-**

- Check
- Checkmate
- Stalemate
