PHYSICAL EDUCATION

Physical Education is a vital part of a balanced school curriculum. Regular exercise improves both physical and mental health and there is growing evidence that it improves academic performance too. Establishing good pattern of exercise in primary schools also provide learners with the foundation of an active and healthy lifestyle for life.

The curriculum at RSJMS is designed to ensure that all students :-

- Develop competence to excel in a broad range of activities.
- Are physically active for sustained period of time.
- Engage in competitive sports and activities.
- Understand the importance of leadership, collaboration and fair play.

The assignment every month will outline the sports activities.

Work Proposed:-

- General- Warm up and stretching
- Specific- Balancing and running
- Activities related to both will be conducted during the sports periods this month

Chess:-

- Tactical Areas of chess
- Centre and Development
- Open Files, Seventh-Eighth Rank
