ENGLISH

TOPIC- COMMA AND QUESTION MARK

Comma- A comma is a punctuation mark that indicates a pause in a sentence or separates items in a list.

Example: Rita bought milk, bread, eggs and butter from the grocer.

Question Mark- A sentence that asks something is called a question. A question ends with a question mark (?).

Example: Where do you live?

What is the name of your school?

Task 1: Put **comma (,)** in the following sentences wherever required: -

- a) Rahul Renu and Maya are best friends.
- b) There are lions bears and zebras in the zoo.
- c) My grandmother bought carrots cabbage cucumber and tomatoes from the market.
- d) I was born on May 2 2010.
- e) I bought a new red dress and I bought a matching hair band with it.

Task 2: Put **question mark (?)** and **full stop (.)** in the following sentences as required-

- a) It has been raining since morning
- b) Do you brush your teeth every night
- c) She goes to school everyday
- d) Are you reading this book
- e) What is kept on the table

Task 3: Comprehension Passage

SCHOOL CARNIVAL

Rahul went to the school carnival today with his class. It was a lot of fun. Rahul won two prizes. He won a blue balloon and a red car. He had a great time with all of his friends. He had popcorn and lemonade. He even watched a magic show. He can't wait to get home and tell his parents all about his fun day.

Answer the following questions-

- a) Where did Rahul go with his class?
- b) How many prizes did Rahul win?
- c) What did Rahul watch at the carnival?

MATHEMATICS

Short Form and Expanded Notation

Look at the picture below. When we blow a balloon, the balloon **expands**. That means it gets **bigger** than how it originally was.

What is expanded notation? When we write a number to show the value of each digit, it means that we are writing the number in expanded form. For example,

Short Form			Expanded Notation
H	T	O	
	5	2	5 Tens + 2 Ones
			50 + 2
1	2	9	1 Hundreds + 2 Tens + 9 Ones
			100 + 20 + 9

Related Video: <https://www.youtube.com/watch?v=4AF7xi7pmWc>
<https://www.youtube.com/watch?v=rZUjMhCCAs8>

Task- 1. Write the expanded notation of these numbers as explained above:

- 16
- 50
- 98
- 111
- 123
- 149

2. Write the short form of the following:

Expanded notation		Short form		
		H	T	O
1) 8 Tens + 1 Ones	$80 + 1$			
2) 9 Tens + 8 Ones	$90 + 8$			
3) 1 Hundreds + 3 Tens + 3 Ones	$100 + 30 + 3$			
4) 1 Hundreds + 4 tens + 9 Ones	$100 + 40 + 9$			

EVS

Topic- Taking Care Of Our Body

Our body needs care to perform various functions. Therefore, it is important for us to take care of our body so that we can keep ourselves healthy and strong.

We can take care of our body by doing these things:

- maintaining good personal hygiene
- eating healthy foods
- getting enough sleep
- exercising regularly

🎵 Let's sing along: https://www.youtube.com/watch?v=gm_imODcNQk

Task:

1. Draw label and colour pictures of any four things that you use to keep your body clean.

2. Make exercises a part of your daily routine. Try doing some simple exercises at home like standing on your toes, jumping jacks, clapping both hands behind your backs etc. (link: <https://www.youtube.com/watch?v=oc4QS2USKmk>)

Art Work:

Palm Art Drawing is a simple and interesting technique to draw pictures using your palm and fingers.

Try to draw any three figures. You can take help of your elders to hold the sheet while you trace the outline of your palm. Happy Learning! 😊
